# GARDEN CORNER CURVES UPDATE

## CONSTRUCTION UPDATE

Started late summer 2020

Sidewalk and roadwork to set stage for this summer

Schedule based on instream work window July to October

Undergrounded utilities this winter

Road closure coming JUNE 28<sup>th</sup>

Detour route planned to reduce cut-through traffic

Construction complete in October 2021

# GARDEN CORNER CURVES CLOSURE

June 28<sup>th</sup> into October

Detour route – Avery to Boones Ferry to Ibach

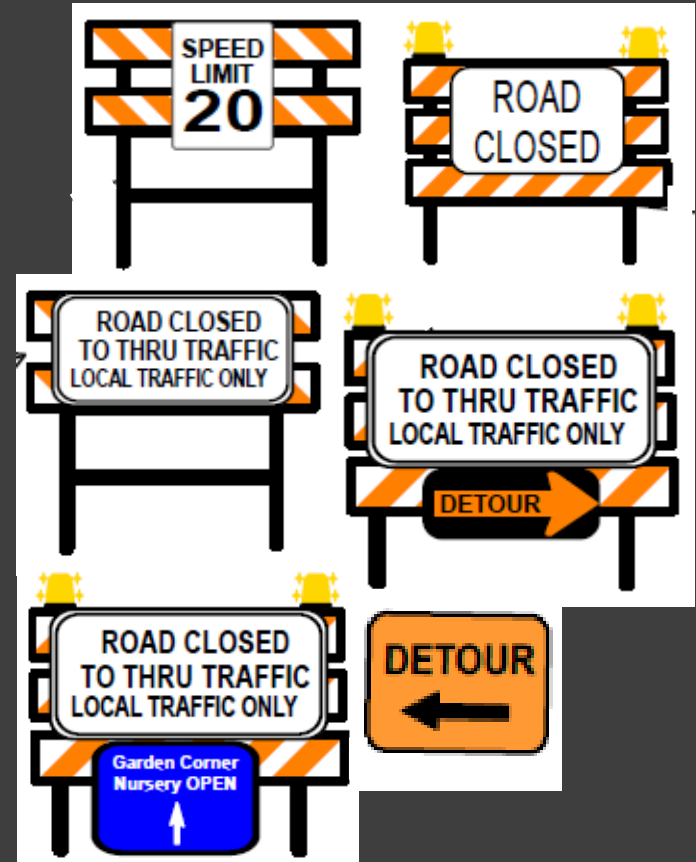

Minimize cut through traffic

We'd love to hear from you!

What went well when road was closed this winter?

What did not?

What can we do better?

# NEIGHBORHOOD TRAFFIC SAFETY PROGRAM

Bond-funded program for addressing safety at locations identified by the community

Projects can be implemented quickly, and spread out over the life of the program

Address areas throughout the City

Focus on equity and inclusion

Projects like Arapaho and Boones Ferry – crosswalks, speed reduction, safety

Do you have a project in mind? **Let us know before June 30th!**
