

ENGINEERING PROJECT UPDATE – May 29, 2024

Teton Ave Rail Crossing (Between Avery and Tualatin-Sherwood Road)	A contractor for the railroad plans to close Teton Avenue at its railroad crossing (between Avery Street and Tualatin-Sherwood Road) to replace the railroad crossing Friday June 7th to Monday morning June 10th.
Boones Ferry Rd at Avery Street	Thursday June 6th, the Boones Ferry / Avery signal will be shut down and traffic controlled by flaggers as the contractor installs the new traffic signal controller and activates the new traffic signal head to accommodate a short right turn lane for eastbound traffic on Avery St turning right to head south on Boones Ferry Rd. Over the next couple of weeks the contractor will be widening the roadway for the new turn lane and pouring the new curb and sidewalk. Expect delays 7am-4pm for the next couple of weeks. More information is at www.boonesferrycorridor.com .
Martinazzi Ave Sewer (Avery St to north of Sagert St)	Construction is planned to start in late June to install a new sewer main under Martinazzi Avenue from Seminole Trail (north of Avery Street) to north of Sagert Street and repave this portion of Martinazzi Avenue and Sagert Street in the area of the recent traffic signal project and east to the Sagert St bridge over Interstate 5. Martinazzi Avenue will be closed from Sagert Street to Avery Street for sewer work this summer.
Tualatin-Sherwood Rd and Nyberg St from Martinazzi to I-5	Pavement markings have been installed to help westbound left-turners on Tualatin-Sherwood Road find the appropriate lane to travel south on Boones Ferry.
Sagert Court Paving	The contractor has paved Sagert Court, a formerly unpaved cul-de-sac south of Sagert Street, west of Boones Ferry Road.
108th Avenue (Tualatin Rd to Leveton Dr)	A contractor for Lam Research is building frontage improvements along 108 th Avenue in conjunction with development on the Lam Research site. Delays are possible during the day as flaggers guide traffic around the work zone.
Tualatin- Sherwood Rd (from Teton Ave to Sherwood)	Washington County's contractor is adding travel lanes and pathways along Tualatin-Sherwood Rd from Teton Ave west into Sherwood. They are also building a new 66" water line to carry Willamette River water to Beaverton, Aloha, and Hillsboro. They recently shifted traffic to the south side of the road and are now doing excavation and

	<p>utility work along the north side of Tualatin-Sherwood Road for the widened roadway and pathway.</p> <p>More information is on the Washington County website at Tualatin-Sherwood Road (Langer Farms Parkway to Teton Avenue) Washington County, OR (washingtoncountyor.gov) and Road closure / traffic information at Road Closures & Traffic Advisories WC-ROADS</p>
Herman Rd (Tualatin Rd to Teton Ave)	<p>On Friday May 31st, the contractor will be doing some pavement work to address puddling issues and connecting the irrigation system in the Herman Road project area. Delays possible during the day Friday.</p>
Plambeck Gardens - Boones Ferry Rd south of Norwood Rd	<p>A developer is constructing the Plambeck Gardens affordable housing complex on the east side of Boones Ferry Road south of Norwood Road and south of Horizon Church.</p>
Autumn Sunrise Subdivision (Boones Ferry Road and Norwood Road)	<p>A developer is constructing the 400-lot Autumn Sunrise subdivision stretching from Norwood Road west of Interstate 5 to Boones Ferry Road between Norwood and Day Roads. The first phase homes near Norwood Road are nearing completion and becoming occupied, the second phase of homes are under construction, and the developer is building the road, water, sewer, and storm drainage infrastructure for the third phase nearest Boones Ferry Road.</p>
Reservoir and Pump Station at Aquifer Storage and Recovery (ASR) Site	<p>The City anticipates starting design in July for a new reservoir and pump station at the aquifer storage and recovery (ASR) site off 108th Ave in the Ibach neighborhood. This will provide additional water storage and service capacity for the southern part of Tualatin.</p>
