<p>Martinazzi Ave Sewer (Avery St to north of Sagert St)</p>	<p>The contractor has installed the new sewer and water lines under Martinazzi Avenue from Sagert Street to Avery Street. The contractor is now paving over the trench area where the new sewer and water lines were installed in Martinazzi. Traffic is being controlled by flaggers today and tomorrow on Sagert Street at Martinazzi Avenue. Expect delays.</p>
<p>Boones Ferry Road at Ibach Street (Grahams Ferry Road)</p>	<p>Operation of the traffic signal at the intersection of Boones Ferry Road with Ibach Street has been revised to ‘split-phase’ traffic on Ibach Street so that traffic from each side of Ibach goes separately. This is for pedestrian safety so we no longer have drivers turning left on a green light across a crosswalk with a ‘walk’ sign.</p>
<p>Siuslaw Greenway (Boones Ferry Rd to 99th Ave)</p>	<p>Surveyors are working in the Siuslaw Greenway (north of Alsea Street, between Boones Ferry Rd and 99th Ave) to design drainage improvements in the greenway and replacement of deteriorated storm drainage pipes.</p>
<p>Tualatin- Sherwood Rd (from Teton Ave to Sherwood)</p>	<p>Washington County’s contractor is adding travel lanes and pathways along Tualatin-Sherwood Rd from Teton Ave west into Sherwood, and building a new 66” water line to carry Willamette River water to Beaverton, Aloha, and Hillsboro. Traffic has been shifted onto the newly-constructed north side of the road for the contractor to work along the south side of the road. Construction is planned through 2025. More information is on the Washington County website at Tualatin-Sherwood Road (Langer Farms Parkway to Teton Avenue) Washington County, OR (washingtoncountyor.gov) and Road closure / traffic information at Road Closures & Traffic Advisories WC-ROADS</p>
<p>Reservoir and Pump Station at Aquifer Storage and Recovery (ASR) Site</p>	<p>A consultant is designing a new reservoir and pump station at the aquifer storage and recovery (ASR) site off 108th Ave in the Ibach neighborhood to provide additional water storage and service capacity for the southern part of Tualatin.</p>
