

Arbor Month Poster Contest 2025 “Tualatin Trees _____”

For Tualatin youth grades K-8
Entries Due: March 1, 2025

Attention Young Artists: Arbor Month is an annual celebration of trees that happens for the entire month of April. Each year the City of Tualatin hosts an Arbor Month poster contest for all children grades K-8. This year, kids are invited to participate by creating a piece of art sharing their love and knowledge of trees.

Kids will create their own theme by filling in the blank: “Tualatin Trees _____”. Kids should think about the importance of trees and fill in the blank with what trees mean to them. Themes could express how trees provide habitat for wildlife, clean the air and provide oxygen, provide shade, create beauty around us, or make us feel calmer and happier.

Poster Contest Rules:

- 1) All entries must be original artwork created by a child in grade K-8 in the Tigard-Tualatin school district or be a resident of Tualatin.
- 2) A child may enter the contest only once.
- 3) Participants should complete the phrase “Tualatin Trees are _____” and create a poster based on that theme. The phrase should be included on the poster.
- 4) The contest will be divided into three categories:
 - a. Grade K-2
 - b. Grade 3-5
 - c. Grade 6-8
- 5) One winner from each category will be chosen and each winner will receive an Arbor Month prize package, be recognized at a Tualatin City Council meeting in March, and their winning posters will be shared on social media during Arbor Month.
- 6) Posters can be submitted through the City of Tualatin website:
<https://www.tualatinoregon.gov/recreation/webforms/arbor-month-kids-poster-contest-2025>. Deadline to submit is March 1, 2025.

If you have any questions about the Arbor Week Poster Contest please contact Heidi Marx, Event Coordinator for the City of Tualatin at hmarx@tualatin.gov
